

CONCENTRATION PROGRAMS

Science (Level 1)

- ✓ This program is a project based curriculum that explores the traditional science topics through an intensive hands-ons approach;
- ✓ It is open to level 1 students who are passionate about science and technology;
- ✓ Students receive twice the science instruction time!

Sports (multi-sports)

- ✓ Embraces a student's desire to participate in sports;
- ✓ Ideal for both the student who wants to participate or excel in sports;
- ✓ Balances between academic and athletic success!

Visual Arts

- ✓ Offers an enriched & multi-leveled visual arts curriculum;
- ✓ Develops a student's artistic skills & knowledge;
- ✓ Students establish their unique identity as an artist!
