Study in Châteauguay

Quebec, Canada

"Everyone is so nice, friendly, helpful. It was really interesting to see how people live around the world. Châteauguay is a really nice city"

– Celine from Denmark

"At the beginning it was hard, you miss your family, everything is new. You just want to go home and hug your mom...but after a month, everything was good. Now my year is over and I have found friends for a lifetime."

–Francesca from Germany

Billings

From Secondary I to V, our students receive an outstanding educational experience in both English and French. Specialized programs and diverse learning opportunities ensure that the individual needs of each student are met. Numerous extra-curricular activities including student leadership opportunities, special events, our Billings Blazers athletic teams, and numerous artistic and cultural groups complement our academic programs and ensure our students not only receive an outstanding education, but develop their interests and excel as part of the Billings family.
